

Southern New Hampshire University 2020-2021

To view the locations of where the Early Childhood Education program is offered, please refer to the following: <https://www.umassglobal.edu/academic-programs/bachelors-degrees>. For GE requirements please see the General Education Transfer Guide.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at UMass Global satisfies all UMass Global GE requirements except LBSU 302 & 304. Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

Lower division courses may be eligible to fulfill upper division major requirements if approved by the Dean of Education.

Course articulation information is provided for all California and out-of-state community colleges, as well as many four year institutions across the country. These represent course work which UMass Global will accept in transfer to meet course equivalencies, general education, or general elective credit. The information has been developed without assistance from the institutions included in this database, however in most instances it is shared with these institutions for accuracy. The information provided is developed to assist students and advisors in determining how transfer credit may apply to UMass Global. Courses not listed in the database have not yet been reviewed for transfer and in some cases may be appropriate for transfer credit.

This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BA Early Childhood Education program. For a complete list of program requirements, please refer to the UMass Global catalog.

The Curriculum Alignment Eight (CAP 8) may be transferred in from a community college. Any CAP 8 approved courses must have been taken after the date that the institution was aligned through the Child Development Training Consortium. An Associate's degree in Child Development or Early Childhood Education earned at a regionally accredited institution, a valid California Child Development Permit at the Teacher level or higher, or a Washington State ECE Certificate may be used to fulfill the CAP 8 requirement.

Further information regarding the courses below can be found in UMass Global's [Course Articulation Database \(CAD\)](#).

General Education Requirements

Foundation Courses	
ECED 100	Child Growth and Development
ECED 110	Child, Family, and Community
ECED 120	Principles and Practices of Teaching Young Children
ECED 130	Introduction to Curriculum for Young Children
ECED 220	Health, Safety, and Nutrition

For equivalencies, please visit the Child Development Training Consortium website

Degree Requirements & Concentrations/Electives

BA Early Childhood Education consists of a 51 credit requirement for the program.

It is possible for transfer courses to meet course requirements within the emphasis area. That coursework must be reviewed by a dean within the School of Education to determine transferability.

***Minimum of 30 credits completed in residence at UMass Global; 18 of which must be upper-division credits, 12 of which must be in the student's major.**
