To view the locations of where the Sociology program is offered, please refer to the following: <https://www.umassglobal.edu/academic-programs/bachelors-degrees>. For GE requirements please see the General Education Transfer Guide.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at UMass Global satisfies all UMass Global GE requirements except LBSU 302 & 304. Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

Lower division courses may be eligible to fulfill upper division major requirements if approved by the Dean of Arts and Sciences.

Course articulation information is provided for all California and out-of-state community colleges, as well as many four year institutions across the country. These represent course work which UMass Global will accept in transfer to meet course equivalencies, general education, or general elective credit. The information has been developed without assistance from the institutions included in this database, however in most instances it is shared with these institutions for accuracy. The information provided is developed to assist students and advisors in determining how transfer credit may apply to UMass Global. Courses not listed in the database have not yet been reviewed for transfer and in some cases may be appropriate for transfer credit.

This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BA Sociology program. For a complete list of program requirements, please refer to the UMass Global catalog.
