

## CLOVER PARK TECHNICAL COLLEGE 2024-2025

This list includes only the requirements that are commonly seen in transfer and is not a comprehensive list of all the course requirements within the BA Early Childhood Education program. For a complete list of program requirements, please refer to the University of Massachusetts Global catalog.

The Curriculum Alignment Eight (CAP 8) may be transferred in from a community college. Any CAP 8 approved courses must have been taken after the date that the institution was aligned through the Child Development Training Consortium. An associate degree in Child Development or Early Childhood Education earned at a regionally accredited institution, a valid Child Development Permit at the Teacher level or higher, or a State ECE Certificate may be used to fulfill the CAP 8 requirement.

Further information regarding the courses below can be found in the University of Massachusetts Global Course Articulation Database (CAD).
